PAPPY'S PADDOCK SHIRAZ

THE VINEYARD

Situated in Australia's best known and most prestigious wine growing region, the Barossa Valley in South Australia about 60km north of Adelaide. The Eighteenfortyseven Vineyards are located in Rowland Flat, a small township between Lyndoch and Tanunda, named after the Surveyor Henry Rowland who charted much of the Barossa in the mid 1800's. Within 10 years of the first immigrant settlers venturing into the Barossa the land grant was given for the '1847' property.

The wines of '1847' are produced from grapes grown in vineyards located in and adjacent to the Rowland Flat Township. The soils of the area are of mainly Terra Rossa which comprises red brown sandy loams mostly overlaying a limestone base. The Township is approx 190 m above sea level, about 40km inland from the coast with an average rainfall of about 500 – 550 mm. The grapes for Pappy's Paddock Shiraz are grown in full sun positions thus stressing the vine to allow a full concentration of flavors.

WINEMAKING

The Shiraz was picked mid March after what was a summer ripening period which saw consistent hot weather thus providing quality grapes with high beaume and balanced acid giving ideal material of wine of exceptional character. The wine was aged in American Oak Hogsheads for twelve months prior to bottling and was made to age well over a prolonged period. Classic Barossa Class.

TASTING NOTES

A wine of outstanding character with big rich fruit flavors, well balanced with the influence of American Oak. Full bodied but without heavy palate, powerful Black Berry, Licorice and Dark Chocolate. Bright Dark Red – Purple colors. This is a brilliant example of Fine Barossa Shiraz.
